RE: Buffalo Rose grant request

Murray Martinez originally submitted this grant request to EDComm, but as a result of the initiative to better define GURA's and EDComm's roles, Steve Glueck and I agreed that this particular request should be heard by GURA. Mr. Martinez has agreed to submit his application for a grant of \$3,357.00 to GURA.

I have reviewed the documents and evaluated the grant request against GURA's Grants Guidelines. The attached spreadsheet shows this analysis. I view this application as having 5 out of the 9 priority Guidelines and meeting the other criteria, and therefore recommend authorizing the grant.
